Once you leave the pier, the tour will take you to the unforgettably beautiful Sheikh Zayed Mosque, a masterpiece of neo-Islamic architecture and one of the largest mosques in the world. The outer areas of the Mosque are graced by around 1.000 columns, all covered with more than 20.000 marble panels that are inlaid with semi-precious stones, including lapis lazuli, red agate, amethyst, abalone shell and mother of pearl. Next, the leisurely tour will take you along the spectacular Corniche Road and through the city of Abu Dhabi – fondly referred to as the "Manhattan of Arabia" due to its profusion of ultramodern glass skyscrapers. You will also have an opportunity to take photos of the luxurious Emirates Palace Hotel (outside only), which is unique in its impressive location. The tour wraps up with a drive past Manarat Al Saadyat and a visit to Abu Dhabi date market.

Please note: Guests visiting the Mosque should wear conservative attire: loose-fitting clothes, long trousers and no transparent garments, shorts or short skirts, which are considered disrespectful. Ladies should take a headscarf to cover their heads and keep their shoulders covered. On religious celebrations, the Mosque visit will be outside only. Guests should take off their shoes upon entering the Mosque and not touch any

architectural features inside. Wheelchair users must be accompanied by a paying helper to aid with getting on and off the coach; wheelchairs must be collapsible/foldable since the coach has neither a ramp nor a lift.
