At Arrival to Copa: We are now arriving at the Copacabana Beach Bar for your Beach Break tour here on Carlisle Bay. You will have full access to the beach facility and your stay here will include a beach chair & shared umbrella and a complimentary drink (rum punch or juice). You will be here for the next 3.5 hrs. You can purchase food and drinks directly from the bar. There are changing facilities & bathrooms located on the premises for your use. Please note that swimming in the sea, participation in any water sport and/or boating activity will be at your own risk. We do not recommend to drink alcoholic drinks in plenty and then decide to go for a swim. We ask that you meet back at the covered entrance, directly situated across from the bar to board the return transport to the port at 2:15pm. You do have the choice to remain, however please advise the driver if you decide to stay on as you will need to state your name and cabin no. to him to make note of your choice. We also advise that you do not leave your personal effects unattended at anytime. Enjoy your stay at Copacabana.
