Tour Description

By far, the best snorkeling experience in the Mexican Caribbean!

A wonderful scenic ride along the coastal strip of the island of Cozumel aboard our spacious and comfortable catamaran will be the beginning of this fascinating experience. During the navigation you will be able to take beautiful views, while we offer you refreshing drinks.

Our first activity of the day will be a world-class snorkel in the reefs of Colombia or Palancar, for which we will offer you all the necessary equipment. Then we will have a brief visit to the sanctuary of the starfish, "El Cielo". Our last stop will be at "El Cielito", an incredible sandbar with calm, crystal clear and shallow waters, where you can enjoy this iconic place together with family and friends.

Later we will take you to Beach Club Park, where a buffet meal and national open bar will await you. Also enjoy various non-motorized water toys, swimming pools and slides.

Without a doubt, an experience not to be missed!

This tour might be subject to cancellation if we get bad weather.

All participants must sign a waiver.
