Cartagena: the emblematic short walking tour

Description of tour: Cartagena is an attractive, deeply historical city located in the region of Murcia. Enjoy a few hours exploring this Mediterranean city and learn about its history in greater depth. With this walking tour, you will discover the most emblematic sites of Cartagena, the city that has flourished under Roman, Muslim and Arab rule that today offers a vast cultural legacy. From the port we will head the historic district, admiring the imposing maritime façade of the city, and its stunning wall built in the 18th century that will lead us to the town hall square, where we will admire the old town hall, considered as one of the most beautiful town halls in Spain. From this point begins the Mayor Street, the main commercial artery of Cartagena, plenty of Modernist-Art Nouveau buildings, such as the Casino and the “Casa de Cervantes”, considered as the greatest exponents of modernism in the city. Just to finish our journey, we will walk around the impressively restored Roman Theatre, the jewel in the crown in Cartagena, and one of the greatest archaeological discoveries in recent times.

The beauty of the Spanish Horse

Description of tour: Just a few kilometres from the Port of Cartagena, this beautiful ranch will delight you with the magnificent steeds of the ranch, pure Spanish-bred horses with fine bloodlines and a graceful appearance. These carefully bred horses are sent to horse lovers all over the world. Looking and even touching the broodmares in free with the foals, the impressive stampede show, the Spanish Horse Training and the art of managing stallions are some of the episodes you will enjoy during the visit to the ranch, established and run for the last 40 years by the Conesa family . But just before returning to the pier, and while tasting some snacks, you'll be treated with an Andalusian dancer and a stallion performance, who will dance coordinately. Enjoy a few hours in a traditional family ranch, being part of their daily life, in full contact with nature and animals. This tour has been selected as one of the three finalists for the 2018 Seatrade Cruise Awards in the Category "Innovative Shorex of the Year".

Murcia, capital city

Description of tour: Start your tour with a 1 hour panoramic drive and enjoy expert commentary on the passing sights, towards this cosmopolitan university town that welcomes the visitor with the engaging disposition born of more than 300 days of sun per year. Upon arrival, begin your walking guided tour into the historic city core, and the Glorieta de Espana, beside Segura River, is the pulsing hub of city life. It is a pleasant, landscaped square with nice plants and terraces dating to the 18th Century and offers a tranquil place to stroll amidst numerous diversions that pique your interest. Marvel at the imposing Cathedral of Murcia, which was built in the Castilian Gothic style for 400 years and its intriguing blend of Renaissance, Baroque, Rococo and Neoclassical styles. Other noteworthy buildings in the Cathedral Square, are the colorful 18th century Bishop's Palace and the Town Hall with its -modern- controversial extension built in 1999 by Spanish architect Rafael Moneo. Your next stop is at Murcia's Casino, not a gambling hall, but one of the most emblematic buildings in the city, located on Traperia street. It displays a mix of the main art influences that coexisted during the second half of the 19th century and the beginning of the 20th century. The dance hall and the English library are some of the rooms that will for sure catch your attention. Enjoy some free time in the city centre.
