| | US-Dollar |
| Price per person in USD | \$ 55.00 |

Price Inclusion:

English speaking guide + Air-conditioned vehicle + 01 x 500 ml. bottled water included in the excursion.

Description:

Let us discover Doha, capital of Qatar and a city embracing modernity while at the same time maintaining all the nuances of the Arab tradition. A sightseeing tour delving into the oldest souk of the city with a visit to a magnificent museum or to a settlement in perfect Arab style (subject to opening days): one excursion, a lot to discover.

Please note: Wheelchair users must be accompanied by a paying helper to aid with getting on and off the coach; wheelchairs must be collapsible/foldable since the coach has neither a ramp nor a lift.

Activity Level – Easy. Flat surfaces & paved path. This tour is involved walking to explore the souq & museum, the passengers with wheelchair need to be accompanied by a person for assistance.

Price Inclusion:

English speaking guide + Air-conditioned vehicle + 01 x 500 ml. bottled water included in the excursion.

Description:

Setting off from the pier, enjoy a drive along the corniche, a 4-mile route that curves the shoreline to Katara Cultural Village, designed to replicate the Qatari culture. Take a stroll around the purpose-built development and admire areas built in the style of the traditional Qatari alleyways. You'll also find a modern twist to the complex with recreational attractions, restaurants, and a

variety of food stalls. Then we will drive to the DESERT ROSE shaped National Museum of Qatar where you can discover the story of the nation and people told in three chapters from millions of years till recent days & future vision. At the heart of the museum lies the sheikh Abdulla Bin Jassem Palace. Last stop will be Souq Waqif to discover a labyrinth of narrow alleyways filled with small shops, selling everything from clothing and hardware to spices, incense, Arabian perfumes, sweets, and dried fruits.

Activity Level – Flat surfaces & paved path. This tour is involved walking in order to explore the souq & museum, the passengers with wheelchair need to be accompanied by a person for assistance.
