

GENOVA SEGWAY TOURS - LE BIGHE DEL BIGO

Genova Segway organizes **accompanied tours of the historic center of the city of Genova, with Segways.**

It is a much appreciated activity because it allows you to visit and see all the most important places and monuments in a practical, safe way and in a short time.

The commitment of our staff and our always positive reviews have allowed us to become one of the most suitable and famous tours that the city's tourist reception offers.

We have the patronage of the municipality and our operators are highly trained and professional.

We can offer your guests our most successful tour, the **CARUGGI TOUR, an excursion lasting 2/2.5 hours, which crosses all the highlights of the historic center**, giving them the opportunity to live a complete and very engaging experience .

This type of tour takes place **every day starting at 12.00 at our office.**

Our operational base is located in the **Porto Antico area, a few meters from the Genova Aquarium, reachable from the cruise terminal in 15 minutes on foot or in less than 5 minutes by subway or bus.**

All participating guests are required to complete and sign a terms of service form which will be provided prior to the excursion.

Each guest will be equipped with an helmet, and instructed with an accurate driving tutorial and safety rules, by our staff, before each departure.

Each tour will be accompanied by one of our operators who will ensure the safety and entertainment of guests. Participants will also be provided with informations regarding the places visited.

The Tour is performed in Italian and English languages, in case of special requests, depending on our availability, also we can provide French or Spanish speaking tour leaders.

Restrictions:

People with back problems, people with disabilities or with reduced mobility.

Persons weighing more than 115kg and less than 45kg.

Pregnant women.

Children under the age of 16 (for guests between the age of 16 and 18, the presence of an adult is required, who must sign our form for them).

Maximum number of participants per tour: 10 people.

Our staff always reserves the right to cancel or interrupt the tour due to meteorological, technical, organizational reasons, incorrect behavior of the guests or where the main safety requirements are lacking.

PRICE:

We can offer a special price for guests who purchase the excursion on board your ship: US\$ 58 per person including VAT, payment by invoice.

Of course, reservations must reach us in good time, **at least 4 hours before each departure.**

Seats are subject to availability dictated by other booking channels.

The on-board staff will have to coordinate with our office by communicating the exact number of participants for each booking via email and will have to provide guests with proof of purchase of the experience in order to be recognizable to us.
