Tour Name	JAYAPURA CITY TOUR.
Duration	5.00-Hour.
No. Of persons	Min. 50 Pax – Max.90 Pax.
Tour Description	<p>A half-day tour exploring Jayapura’s essential highlights awaits you on this comprehensive excursion. Often referred as the “City of Victory”, located on the northeastern coast of New Guinea, also known for its stunning natural beauty and vibrant culture. You’ll spend your half-day discovering the elaborate daily life of Jayapura’s residents, Loka Budaya Museum, and interacting with the local school students, all while enjoying the island’s outstanding natural beauty.</p> <p>Starting off from the pier of Jayapura, enjoy the scenic drive with the local transportation of approximately 20-minute brings you toward the local market in town called Hamadi Central Market to discover the daily life of Jayapura’s residents. This market also offers an ideal spot for souvenir shopping. Here, you may engage with locals selling handicrafts and tending to their daily needs. Along the roadside, rows of Papuan souvenir stalls are readily visible. Numerous small shops house a variety of Papuan handicrafts and artwork. Following your delightful visit, your journey continues toward Red Bridge of Jayapura and locally called Jembatan Youtefa, is a favored destination for residents and travelers looking to capture memorable photographs and appreciate the natural beauty of the region. The bridge serves as a vital transportation link and offers access to the mainland. Leaving Red Bridge of Jayapura behind, it’s on to the next destination to visit Loka Budaya Museum, located next to the large Auditorium University of Cendrawasih on the main road in Abepura. And you’ll have a good opportunity to admire the finest collection of Asmat tribe. The museum boasts a captivating range of Papuan artefacts, including the finest collection of Asmat carvings and exquisite crafts from several other regions, as well as historical photos and musical instruments.</p> <p>As your tour draws to a close and before returning to the pier of Jayapura, you’ll make your way to the last destination to visit the local school named SMKN Wisata, is a high school with a curriculum focused on tourism education, preparing students for careers in the tourism and hospitality industry. Today, the students have opportunities to gain practical experience, especially in English communication skills. And you’ll have a good opportunity to interact with the school students before departing back to the pier.</p> <p>After the conclusion of your memorable visit, your motor coach then takes you back directly to Jayapura Pier, where the ship waits for your onward journey, commencing approximately 25-minute drive from the local school SMKN Wisata.</p> <p>Arrive back at Jayapura Pier.</p>

	<p>Please NOTE: The tour sequence and timings may vary, depending on local traffic. Infrastructure in Jayapura is basic, and local conditions may be challenging: transportation (NO Microphone and NO A/V System), hotels, restaurants, equipment, and services are the best-available in the area, but may not be up to the standards, There is NO guide available on the island, what will have is the locals people who can speak little English and will accompanied the guests and explain about their village on their own way. The Locals tend to have a strong accent therefore we urge flexibility and understanding.</p>
