Tour Name	KCH02-Sarawak Cultural Village			
Duration	4 hours (0800hrs & 1300hrs)			
No. Of persons	15-500 pax per departure			
Tour Description	<p><b>Highlights</b> Explore Sarawak's diverse cultural heritage at the Sarawak Cultural Village, situated at Mount Santubong's foot, featuring replicas of 7 traditional houses and a vibrant cultural dance performance.</p> <p>Nestled on a 17-acre site at the foot of the legendary Mount Santubong located at the edge of the South China Sea lies the talk of tourism in this region, Sarawak's very own "living museum" – Sarawak Cultural Village. Journey takes about 45 minutes drives from Kuching along the countryside with a scenic view contrasted by the green mountain and the blues sea. Explore the live replicas of the 7 representative houses: Chinese Farm House, Malay Stilted House, Melanau Tall House, Penan Hut and longhouses of the Bidayuh, Iban and Orang Ulu. Taste the village's delicious cookies. Try your hands on their delicate craftwork and their warm hospitality. You will be entertained with 45 minutes of the spectacular cultural dance performance by the various ethnic people of Sarawak at the air-conditioned village theatre.</p> <p><b>Remarks</b> Cultural show performance: 1130hrs (morning session) &amp; 1600hrs (afternoon session)</p> <p><b>What to bring</b> A water bottle, insect repellent, sunblock lotion, hat</p>

Tour Name	KCH05-Kubah National Park Daytrip			
Duration	7 hours (0800hrs)			
No. Of persons	15-300 pax per departure			
Tour Description	<p><b>Highlights</b> Explore the diverse ecosystems of Kubah National Park, featuring a scrap-bounded sandstone range and rich dipterocarp forest supporting varied wildlife like bearded pig and black hornbill.</p> <p>Kubah National Park gazetted in 1989, the park is spread over 2,230 hectares and composed primarily of sandstone, siltstone and shale. The plateau sandstone formation has built a scrap-bounded sandstone range, which includes Mt Serapi, Mt Selang and Mt Sendok. The forest is generally mixed dipterocarp forest, containing several species of fruiting trees and interspersed with patches of scrub forest or kerangas. Its rich forest, its proximity to the mangrove and its dissected terrain supports a large and varied animal community such as bearded pig, mouse deer, squirrel, black hornbill and many species of amphibians and reptiles. Kubah is also rich in palms and orchids. The waterfall trails are the most popular trail in the park. In the afternoon, lunch will be served at local café (simple local menu on mini buffet). After tour complete, back to Kuching Port.</p> <p><b>What to bring</b> Trekking shoe, sandal, raincoat, plastic bag, a water bottle, insect repellent, sunblock lotion, clothes for changing.</p>
