TOUR DESCRIPTION:

We will discover the magical gardens that surround the manor, including the pergola with its water fountains and adorned with twenty-four stone hydras. The numerous water jets cross one another, making a very special experience. After, we will arrive to the area influenced of English gardens, very fresh and shady and in the lower garden we will see the small pond with water lilies. All these styles are very well integrated and make a whole harmony when you pass from one to the following.

After, we will enjoy a nice brunch in "El Vasco Restaurant", where the food is really fantastic. We will departure later on to the Bellver Castle where the passengers will be able to admire Palma de Mallorca town and make some pictures and selfies. We will end the excursion doing a panoramic sightseeing to the town and returning to the vessel.
