Your gastronomical tour starts at 'To Perivoli sti Vari' where the experience begins with a tour to the residence to observe and understand farm's philosophy. The whole concept revolves around the seasonality, locality, freshness food and the finest quality of ingredients. Therefore, all vegetables and fruit served are from out certified organic plots and small local producers, all dairy from dairy farmers, all meats are always local and free-range, cooked in olive oil straight from farm's little press. Thereafter, enjoy an Olive Oil Tour and Tasting full of flavor and get to know the meaning of each olive variety. Your experience ends with a meal of organic fresh seasonal materials.
