Volunteer Point

\$222.00 per person

Minimum: 8 Maximum: 40

Duration: 7hrs

Transportation: 4x4 vehicles

Food/Beverage: Box lunch

Tour Description

Volunteer Point for even the most jaded traveller is not to be passed up. In addition to the world's most Northerly King Penguin colony there are also Gentoo and Magellanic Penguins at this unique and stunning spot.

Volunteer Point is about 50 miles from the Capital, Stanley, and takes over 2 hours of driving to reach. Most of the driving is on a road network however for a quarter of the excursion an adventure awaits when the road runs out at Johnson Harbour (a traditional sheep farm) and very skilled 4x4 drivers show guests what off-roading is in the Falkland Islands. On a white grassy track, through peaty water streams, over bridges, ditches and peat bogs to an opening that will never be forgotten. Do not be put off by the drive there as that will soon be rewarded with the stunning beauty of the King Penguin colony situated between a saltwater lagoon and the most pristine white-sand beach you will ever encounter.

There are superb photographic opportunities as the elegant penguins pose, dressed in their white, gold and yellow feather tuxedo's stand, feed, waddle, dive and swim. Up to 2 hours stay at the location provides time to see the penguins and enjoy a freshly made packed-lunch before setting off back to Stanley.

Moderate (walk and climb)

Kelp Point

\$250.00 per person

Minimum: 12 Maximum: 24

Duration: 6.5hrs

Transportation: 4x4 vehicles

Food/Beverage: Box lunch

Tour Description

Kelp Point Exclusive Wildlife Tour encompasses the secluded natural beauty and history that the Falkland Islands has to offer.

During this excursion, guests will travel in 4x4 vehicles beginning with an hour on the Islands main road network, winding through the rugged landscape seeing unique geological stone runs catalogued by Charles Darwin himself.

Guests will then embark on an approximately 1.5hr off road excursion through one of the Falklands largest farms before arriving at the picturesque Elephant Seal colony at Kelp Point.

After watching the Elephant Seals wallow, the group will travel a short distance to visit St. Mary's wreck. An American fully-rigged ship that never made it back to Maine (America) from her maiden voyage and now lays on the coast of East Falklands.

After St. Mary's wreck guests will travel a small distance to a recently established Gentoo penguin rookery on a charming crisp white sand beach to enjoy a packed lunch and have a stroll, taking in the stunning views and the sounds of Gentoo's chatting and feeding.

Falklands Battlefields

\$75.00 per person

Minimum: 10 Maximum: 50

Duration: 2.5 hrs

Transportation: Minibus/coach

Food/Beverage: N/A

Tour Description

This tour is designed for the history and military buffs. On the Battlefield tour guests will be driven through the battlefields of the Falkland Islands war of 1982. 40 years ago Argentina invaded these peaceful islands into a 74 day battle that proved hard on the people and land with over 900 military lives lost all together from both sides.

Guests will visit many of the mountains where many of the battles happened but can also be seen as a landscape of beauty, unity and courage, standing tall, rugged and carved with Stone runs. The coach will wind through the valleys to Estancia Farm where there was a major base for hundreds of British Troops. The coach will stop here and passengers can leave to take in the views while the guide explains the famous “yomp” from San Carlos to the battle of Goose Green.

Some of the other sites that guests will visit are Goose Green where the first major land victory happened after weeks of locals being under arrest in the hall; Two Sisters where one of the most famous battles of the war commenced between the Marines and Argentine troops; Mount Tumbledown that even now still has remains of the battle scared into the landscape including an Argentine kitchen still sat in the same position, 40 years on and the wreckage of the Chinook and Puma Aircraft buried into the side of a mountainous valley.

Guests will feel the power of how passionate the local guides are that will tell the harrowing and sensitive story of the 82 battlefield sites with much knowledge to remember.

Moderate (walk and climb)

Bertha's Beach

\$133.00 per person

Minimum: 16 Maximum: 32

Duration: 4hrs

Transportation: Minibus/coach

Food/Beverage: Baked goods

Tour Description

Guests will travel on the Islands main road network, winding through the rugged Falklands landscape, taking in unique geological stone runs, catalogued by Charles Darwin himself.

After approximately 1hr the guests will embark on a 30 minute off-roading experience through the flatlands before arriving at the spectacular and pristine Bertha's Beach.

The flatlands is a great host for some of the islands most elusive waterfowl such as the graceful Black Neck Swan, Chiloe Wigeon, Silver Teal, Speckled Teal and the Silvery Grebe. Bertha's Beach itself is home to an 800 strong Gentoo Penguin colony.

The flora is also just as impressive at Bertha's Beach with over 80 different flowering plants have been recorded, five of which are endemic to the Falkland Islands.

Guests will have approximately 1 hour at the beach to enjoy the wildlife and scenery before returning to Stanley.

Tour Description

Guests will experience local guides first hand experiences of living in the Falklands and many of the historical features of the serene and colourful capital city of Stanley while on this coach tour.

Starting at the pier the coach will pass the Cross of Sacrifice, the 1982 Memorial Woods and cemetery on route to the famous Lady 'Liz, a beautiful ship wreck that has become an iconic stop for both locals and visitors to gaze at, with Stanley and the Harbour in the breath-taking view.

A short drive from the Lady Elizabeth guests will see the domestic airport FIGAS before passing the pristine white sands of an open wide shore known as Surf Bay.

Returning back to Stanley there will be a short pause outside Government House, the residence of the Falkland Islands Governor, before continuing past the 1982 Liberation Monument and ending at the Historical Dockyard Museum which offers a great insight into the life of the islands, war history and natural history.

This tour guarantees guests the best and most iconic sights in the capital such as the Christ Church Cathedral with its Whale Bone Arch, the Jubilee Villa's and the 1914 World War Monument. Something for all to see on this informative tour.

Argentine Cemetery at Darwin (in Spanish)

Easy (light walking)

\$70.00 per person

Minimum: 16 Maximum: 50

Duration: 4.5hrs

Transportation: Minibus/coach

Food/Beverage: Baked goods

Tour Description

As guests embark on what can be an emotional and sensitive tour they will go through the main street of Stanley past shops, cafes, the Christ Church Cathedral, Whale Bone arch, Police Station and Government house and many other buildings and sights of significance.

Along the winding roads through the rugged landscape of the mountainous Falkland Islands, the expert guide will talk of the life in the islands and speak of the battles in the mountains that were fought on in 1982.

Guests will pass by the military base that still has great presence in the Falkland Islands which has become second nature to the locals to see on the way to Goose Green. There will be a short break to stretch legs at Goose Green before guests continue to Darwin where some of the Argentines who lost their life in the war have been laid to rest. Here the guests will have time to pay their respects. There will be approximately 30-45 minutes, weather depending with a packed included.

The return to Stanley is along the same road where guests will have time to reflect on what has been seen and to rest or ask questions.

This tour is predominantly in Spanish.

Battlefields - A Mountain Perspective

Cost: USD73 per person

Minimum: 28 **Maximum:** 45

Duration: 2.5 Hours

After joining the coach at the JVC, you will depart Stanley travelling west while your guide provides an overview of the political and socio-economic history of the Islands. The coach will travel directly to the epicentre of the main battles fought during the conflict in 1982, en-route you will enjoy beautiful panoramas taking in the famous “Boot Hill” and the wind turbines that supply the capital with up to 40% of its energy requirements.

During this part of the journey your guide will explain the events that led up to the 1982 conflict culminating with the arrival of British Forces at San Carlos on Landing Day as you arrive at Estancia Farm. Estancia Farm became a base for hundreds of British troops from the beginning of June 1982. A large group of local men and women went to Estancia Farm to help look after the troops, even using their off-road driving skills to move munitions under the cover of darkness up the mountain sides.

The coach will stop here, and passengers can leave the bus to enjoy the views west while the Guide explains about the famous “yomp” from San Carlos and the battle for Goose Green. The coach will depart here heading east towards Stanley while the Guide explains how British forces moved forwards and positioned themselves around the mountains surrounding Stanley.

The Coach will make 2 further stops, the first at the site of the wreckage of the Chinook and Puma and the second at a location where passengers can enjoy the view of Stanley and the surrounding five battle site mountains, while the Guide provides details about the final battles that took place in the run up to the Liberation of Stanley on 14th June 1982.

Exclusive & Enriching - Private small group visit to the Seal Bay Penguins

Cost: USD295 per person

Minimum: 8

Maximum: 32

Duration: 7 hours

This tour begins in the frontier town of Port Stanley where you will be met by your local driver at the tender drop off point. You will then travel in 4x4 vehicles driving to Port Louis Farm. You will drive on road for 1 hour and then continue off road for 12 miles which takes 1½ hours, a unique experience not to be missed! Your tour will be accompanied by one or more of the Gilding family who have owned Port Louis for 22 years. The number of guests visiting Seal Bay is strictly limited by the family to 32 per day and open just 5 months of the year remaining one of the most exclusive tours within the Falkland Islands.

Our first stop will be at the Rockhopper penguins where Macaroni penguins can also be sighted. Here, you will have approximately one hour to take photos and merely marvel at these normally elusive birds. There is a restroom within walking distance of the site. While at this site we will take your group photograph with your drivers which you can take back to your ship immediately, providing a great memory of this wonderful experience.

Your next stop is a 20-minute drive to Swan Pond where you get to experience driving through this expansive pond, another adventure with great photo opportunities! You will then be driven onto the beautiful white sandy beach where tables are set up to eat your lunch. On the beach, Gentoo and Magellanic penguins can be seen along with the occasional King penguin and Sea Lion plus other native birds such as Oyster Catchers, Grebes, Logger Ducks, Grey Ducks, Kelp Geese and Upland Geese. Enjoy your packed lunch and some homemade soup along with a hot tea and coffee enjoying the expansive yet private beach views of North Falklands.

Your next and final stop is at the Gentoo penguin colony where we often see one or two King penguins hanging out as well if you are lucky! This is a great final photo opportunity and rounds your wildlife packed day off nicely before we head back to Port Stanley. Once in the Capital town, time permitting, our drivers will offer to give you a short tour of the town pointing out highlights before dropping you back to the jetty to catch your tender.

Note: Please note this tour is unsuitable for passengers with neck, hip and back problems due to the 'off road' driving.

Stanley Highlights

Cost: USD61 per person

Minimum: 28 **Maximum:** 40

Duration: 2 hours

This is the ideal tour, if you wish to see the highlights of Stanley in a short space of time. Passengers will firstly be met by a local guide to get an introduction to the Falklands small capital.

As the coach drives along Ross Road, Stanley's main Street which runs along the sea front, the guide will point out everything that may be of interest to passengers. Apart from the major highlights, which include the Cathedral with its Whale Bone Arch, the 1982 Battle Memorial, wrecks of the old sailing ships, a private whalebone display, the Stanley Airport, and some of Stanley's original houses, passengers will also see the Hospital, Government House, The Community School, The Mizzen Mast from the famous 'SS Great Britain', and Stanley's various hotels to give passengers an idea of the Islanders' daily life in this rugged, remote but beautiful location.

The guides commentary and stories will provide additional insight about the Falklands' Heritage, social habits, and economy. Passengers will also be taken out of the town and will be able to see a stunning view of Stanley from the bottom of the harbour and the shipwreck the Lady Elizabeth. Various species of flora and fauna can also be seen on this tour, including the Upland Goose and Flightless Steamer duck.

The tour finishes at Historic Dockyard and Museum with the option of being dropped at the Jetty Visitor Centre instead. Learn more about the Falklands social, maritime, military, and natural history at our new Historic Dockyard. * Please note that some buses may take different routes to avoid congestion at key sites. Free entry to Nutt Cartmell Cottage (original 1849 cottage recreated in period style of the 1850s, 1940s and 1970s).

Stanley History

Cost: USD56 per person

Minimum: 10 **Maximum:** 10

Duration: 2 hours

This two-hour guided walk-through Stanley is an ideal opportunity to understand the pioneering history of the tiny capital of the Falkland Islands and all its fascinating evidence of very British roots.

Beginning at the Jetty Visitor's Centre the group will walk to the nearby Christ Church Cathedral and the Whalebone Arch. The walk will then progress to the oldest streets of Stanley, where the guide will describe not only the main characteristics of the town's architecture, but the destruction caused to it and its occupants by the peat slips of 1878 and 1886. Visit Nutt Cartmell Cottage located on one of Stanley's oldest streets Pioneer Row. Cartmell Cottage was one of thirty kits sent from Britain in 1849 for a detachment of military 'pensioners' who came to the Islands as settlers in the mid-1800s. Your walk continues through the older streets of Stanley, taking in Government House, the 1982 Liberation Monument and then enjoy a traditional Falklands Smoko in the Malvina House Hotel before finishing at the Historic Dockyard and Museum which you can enjoy at your leisure.

Volunteer Point

Cost: USD222 per person

Minimum: 20 **Maximum:** 40

Duration: 7 hours

Join your driver/guide on an epic journey in a 4x4 to Volunteer Point, home to 1200 King Penguins. There are also approximately 500 Gentoo Penguins and Magellanic Penguins to be seen, a superb location where three species of penguin can be viewed.

Volunteer Point is approximately 2.5 hours' drive from Stanley, most this is "off road". On your journey, you will see many of the famous battlefield sites and remnants from the 1982 conflict; you will also pass by many unique rock formations, known locally as "stone runs", whilst taking in the beautiful, rugged landscape. The King Penguin colony is located between a white sand beach and a lagoon, which makes for fantastic photographic opportunities and an abundance of wildlife.

Stroll along the beach and see all three-penguin species together, there are also many species of birds to be seen in this area including Magellanic Snipe, Dark Faced Ground Tyrants, Falkland Pipits and Upland Geese.

This is an all-round Falkland experience, learn about our history, culture and see our spectacular wildlife. Each passenger will be provided with a packed lunch, water, and an information pack. Toilet facilities are situated at the site, and passengers are advised to bring warm waterproof clothing and wear sensible footwear. Please note this tour is unsuitable for passengers with neck, hip, and back problems due to the "off road" driving. *This tour is also subject to track conditions.

Minimum: 10 **Maximum:** 14

Duration: 2 hours

On your arrival into Stanley Harbour the first thing you will notice is the fantastic colours of our capital and what better way to get acquainted than with a guided walk through out picturesque streets.

The walk takes in key sights around Stanley such as Christchurch Cathedral, Whale Bone Arch, the mizzen mast of SS Great Britain on Victory Green, the 1982 Battle Memorial, Government House and many more. It also gives you a great foundation to explore further once the tour has ended.

As well as including some of our more historical sites, the walk also includes information on where you can purchase gifts, stamps and so much more. Your fantastic guides will give your insight into the local way of life whilst showing you our beautiful capital.

The tour ends with a visit to the Historic Dockyard Museum where guests can browse at their leisure. The Walk will be taken at a leisurely pace and will include numerous opportunities for photographs. It is a 2-hour tour covering one and a half miles giving you plenty of time to make the most of your visit. The Falklands is renowned for its four seasons in one day so please be prepared for any weather. An information brochure will be provided with a stamped postcard included.
